Call to Worship

Come let us gather as Hilden United Church.

We gather in this sanctuary as have the saints before us these last hundred years.

Come, let us continue the tradition of faith we have received.

We continue on the journey to God's Kingdom of Love and Justice.

Come let us hear the Word of God.

We seek to discern God's Word for us in this season of Love and the Journey.

Let us worship and give thanks to God.

FUTURE VISIONING COMMITTEE BULLETS

October 20th

- 1. As followers of Jesus, we are called to engage people, talk to people, listen to people. What do we do to prepare people for that calling? There are resources in our communities to help train and mentor folks toward this calling.**
- 2. Reach out to people who already claim us as their church but don't attend. They are not there for a reason...ask why?**
- 3. Foster an environment where we build Relationships and train the leadership.**

All around the world – from universities to the United Nations, from corporations to community organizations – people are talking about flourishing. Rooted in belonging, flourishing means living with purpose and joy, and bringing bold collaborative solutions to our world's challenges.

The Moderator, the Rev. Dr. Carmen Lansdowne, wants to bring that conversation to The United Church of Canada. She invites us to connect to one another in hope, with a deep conviction by a belief that, despite all the challenges of church life in this day and age, we can move from despair to transformation – from languishing to flourishing.

Is your church flourishing?

(Perhaps that's the wrong question.)

Is your church contributing to the flourishing of your community?

How might we truly be a flourishing church in the world? How might we live in deep spirituality, bold discipleship and daring justice, linked from coast to coast to coast in ministry that transforms us and the world around us?
